# Cord-free and Powerful Hand-held Pet Vacuum

## Quick Pick Ups

Attach the **Long Crevice Nozzle** for deep cleaning between car seats, sofa cushions, and highchair.

Attach the **Mini Motorized Roller Brush** for stairs and benches.

Attach the **2-in-1 Brush/Crevice Tool** for dressers, shelves, and keyboards.

 **ALLOW BATTERY PACK UP TO 3.5 HOURS TO FULLY RECHARGE**

## BATTERY CHARGING

Before first use the detachable lithium-ion battery must be fully charged. It can be charged either installed or uninstalled by connecting the power cord to the recharging port and a standard electrical outlet.

### Mini Motorized Roller Brush

Ideal for pet hair on pillows and cushion.

**NOTE:** If using frequently to vacuum pet hair, empty after each use and keep filter assembly and bin clean for greater efficiency.

### Extended Crevice Nozzle

Perfect for hard to reach spaces like car seats and interiors.

### 2-in-1 Brush/Crevice Tool

Versatile fabric brush for gently vacuuming sofas, pillows, and bedding. Switch to crevice tool for corners and in between cushions.
